

ACKNOWLEDGEMENT

I would like to express my deepest appreciation to all those who provided me the possibility to complete this report on the project of “**Tecso Internship Module**”.

I shall have a great sense of pleasure to express my heartfelt gratitude to **Computer Engineering Department of CHARUSAT University, Changa** and for taking deep interest in my project and guiding me all the way through and for providing all the necessary information.

I owe a deep gratitude to **Dr. Amit Ganatra, Head of Department of Computer Engineering** for their expensive help for providing valuable resources and environment. I am very grateful to my guide **Prof. Ashish Patel and Prof. Amrin Shaikh** who had endeavors me from the learning and processing the knowledge during the project work. I appreciate their concern and interest regarding the project. Their words of advice helped me a great deal during project. It has given me a hand on experience, which I could not have gained from all the books of the world.

I also take this opportunity to express a deep sense of gratitude to **Ms. Komal Pathak (Project Trainee at Tecso Project PVT. Ltd.)** For her cordial support, valuable information and guidance, which helped me in completing this task through various stages and obligation to staff members of **Tecso Projects Limited**, for their cooperation during the period of assignment.

Last but not the least, I would like to thank my friends and family members and all those persons who have directly or indirectly helped me during this project.
